

### OFFICE OF THE MAYOR Thomas M. Menino

### CITY OF BOSTON SCHOLARSHIP FUND

#### The Program

Mayor Thomas M. Menino established the City of Boston Scholarship Fund to provide assistance to Boston residents who plan to pursue a two or four year undergraduate program within Massachusetts. Funds for the scholarship are made possible from voluntary contributions made by citizens, corporate sponsors, and others. Scholarships will be offered each year for full-time degree-seeking study at any two or four-year accredited post-secondary institution within the Commonwealth of Massachusetts.

The award amount and number of scholarships will depend on available funds through annual contributions. Scholarship recipients may reapply each year. The scholarship program operates under the authority of a Scholarship Committee, appointed by the Mayor, and is managed by the City of Boston.

#### Eligibility

Applicants must be a legal resident of Boston for at least two years as of January 1 of the year of the application. Applicants must also graduate from high school or have completed the G.E.D. by the time the awards are made.

### Application Process

To apply, students must complete the application form and submit:

- A letter of recommendation (from school, employer, church, or community).
- An official secondary school record and SAT or TOEFL score if available or G.E.D. score report.
- Essay on how your education will benefit your future career goals will contribute to the good of the City of Boston.
- Finalists must provide a copy of their most recent 1040 tax form and Financial Aid Form (FAF) for verification of financial aid.
- If selected, participants will be asked for proof of residency and evidence that they will be attending a post-secondary institution within the Commonwealth of Massachusetts.

### Selection of Recipient

Scholarship recipients are evaluated based on the information supplied. Students are encouraged to answer all questions as thoughtfully and completely as possible. Financial need is determined based on the total cost of education and living expenses for a school year less expected family contributions and other grant and loan funds awarded to the applicant. Awards are contingent upon acceptance to an accredited institution within Massachusetts. Applicants will be notified of the award decision by the beginning of June. Re-awards will be based on successful academic performance and continued financial need.
